Our WA Suppliers

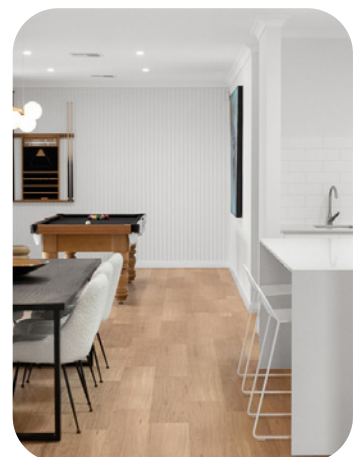

A quality team for a quality home

Your home has many parts to it. From the roof to the underground services, all these features need to be of a high quality so your home lives up to the standard you deserve.

That's why we've partnered with some of the Australia's best brands in the industry. They've been around a long time - some we've been working with for over 25 years - so they know how to build Australian homes. Plus, they come with product warranties so you get peace of mind.

So, want to meet the team we choose to work with?

Exterior

Colorbond®

Colorbond is a household name with over 50 years in the market and test their products in some of the harshest Australian conditions.

BlueScope are innovators of steel materials and products with offices in 18 countries and manufacture the highest quality steel.

Midland Brick

The WA owned Midland Brick supplies bricks and pavers to thousands of companies and individuals every year.

Framing

M&B's doors are some of the finest made in Perth since 1969. But it's not just style that they deliver- their Designer Doors come with a 5 year warranty.

Jason Windows pioneered the introduction of aluminium windows in WA in the early 1960s and now have a range of aluminium entry doors.

Centurion Garage Doors have been in the industry for over 40 years and combine Australian-made BlueScope steel with a massive selection of designs and colours.

Cabinetry

Stone Ambassador have launched their Silica free benchtops. Their products come in a range of light and dark colours and are safe for families and trades.

No one does laminate finishes like this Aussie company with solid colours, patterns or wood grains available as either your cabinetry facings or as your benchtop.

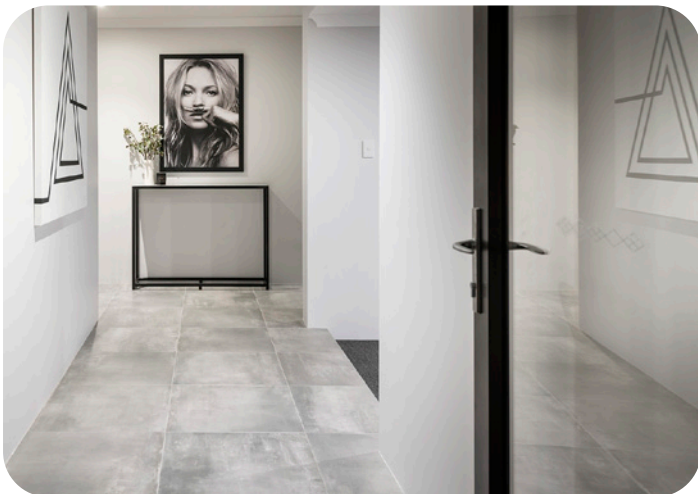

The largest independent cabinet maker in WA, Coastline Kitchens have been delivering made-to-order quality products like cabinets and handles since 1989.

Kitchens

Westinghouse have been designing products for over 60 years and are part of the Electrolux family, meaning quality and innovation are a part of every appliance.

With over 50 years in the industry, Gainsborough have built their reputation on developing high quality door hardware that looks great and lasts!

While Clipsal has been around since 1920, their electric products continue to be industry leaders with their R&D team delivering the latest technology.

Bathrooms

alder tapware

Alder Tapware are based out of Balcatta and manufacture a diverse range of fixtures. They've been around since 1982 and come with industry leading warranties.

SEIMA
